

## **OCEAN BANK APPOINTS RODOLFO BUCARO TO SENIOR MANAGEMENT TEAM**

MIAMI – Apr. 11, 2022 – Ocean Bank announced Rodolfo Bucaro, Senior Vice President and Chief Information Officer, has been appointed as a member of the bank’s senior management team.

Bucaro has more than 25 years’ global experience in risk management and banking technologies. Throughout his career, he has managed the IT departments for multinational corporations and provided innovative and profit-driven project management initiatives. These aim to prioritize privacy and security and streamline business processes to offer greater peace of mind to senior management, employees, clients and shareholders.

“We welcome Rodolfo to the senior management team,” said Agostinho Alfonso Macedo, President, CEO and Chairman of Ocean Bank. “His extensive knowledge and experience in banking technology makes him a great asset to senior management.”

Bucaro earned a Master of Business Administration at the GAIA Business School in Guatemala. He also holds advanced certificates for executives from the MIT Sloan School of Management in Technology, Operations and Value Chain Management, Leadership and Management, and Strategy and Innovation. He joined Ocean Bank in 2019.

###

**About Ocean Bank:** Ocean Bank is the largest independent, state-chartered commercial bank headquartered in Florida, with \$5.3 billion in assets. Chartered in 1982, Ocean Bank operates its network of 22 branches throughout Miami-Dade and Broward counties. The community bank has received numerous awards and accolades from the Greater Miami Chamber of Commerce, The Beacon Council and the Florida Department of Education, among others, for its support of our South Florida communities.
